

ATTENTION, TO EVERYONE WHO WANTS TO KNOW WHY?
(Update by Dr. Henry and Erika Monteith)

Obviously, the world did not end on December 21, 2012!

Those ignorant people, who were seeking for sensation only, turned a deaf ear to the wise Mayan Shamans who attempted to tell everybody that the world would not end but, instead, would make a NEW BEGINNING:

To all of my brothers and sisters who listen to this message: First of all, these words are not mine, but the words of my ancestors. In the prophecy of the Maya it is stated that the time of the 12th Baktun and the 13th Ahau (December 21, 2012) marks the date of the return of our ancestors and the Men of Wisdom. Let the morning come, let the dawn come for the people to find peace and be happy.

Do not be afraid of this because it is only a time of change, just like the change from the old year ending on December 31st to the New Year beginning on January 1st. Who knows how many times this has happened before? We are now in the fourth period of the Sun! Do not believe all of these things you are hearing from those people who are threatening the world.

Don Alejandro: Mayan Elder and Shaman

But of the times and the seasons, brethren, ye have no need that I write to you. For yourselves know perfectly that the day of the Lord so cometh as a thief in the night.

Thessalonians 5 : 1-2

Is it coincidence that the Newtown shootings occurred within a week of the date Dec. 21, 2012? We know that this is not the case and that this event, and many others like it, occurring around the world, are helping to bring about a quantum jump in consciousness expansion that is now taking place in the minds of the people of the world, in general, and the American people in particular.

In the Thomas Gospel, Christ said: ***“The Kingdom of God is spread all over the Earth but men do not see it!”*** It is a monument to the Spiritual Ignorance of Mankind on Earth, who are still evolving at the lowest possible level of materialistic consciousness, that only a few thousand people (including the wise

Shamans of the Maya) were able to sense the wonderful uplifting Life-Energy Radiation (CHI) coming from the center of our beautiful Galaxy, and focused through our beloved SUN, **for the purpose of regenerating the Life-Energy Grid System of our precious Earth!** These few thousand people, who have been expanding their planes of consciousness with **THE LOVE OF PURE LEARNING** since their birth, and who experienced a quantum leap in the expansion of their planes of consciousness on December 21st, are **THE MEN OF WISDOM** who the Mayan Shamans predicted would return!

We should deeply realize the great importance of the wonderful event which has just occurred; especially since **it happens only ONCE every 26,000 years** and indicates the beginning of a **Great New Era of Spiritual Light!** This date has also marked the initiation of a very powerful **System of Holistic Education (SHE)** of the precious children of our world. **This is THE PRIME DIRECTIVE of all evolutionary and involutionary soulmate cosmological action on Earth!**

The fact that we are so fortunate to be here, in this moment of time, should be reason enough to celebrate the glory of our awesome COSMOS and our beautiful Earth.

We are now ready to share with the world our wonderful new COSMIC THEORY OF EVERYTHING which we, as a fully culminated Soulmate Pair, have worked on ALL OF OUR LIVES. However, it is very important to remember that even though KNOWLEDGE can be shared, WISDOM, LOVE, and PROFOUND UNDERSTANDING can never be directly shared but must be EARNED by each and every person for themselves, and within themselves by deeply thinking and meditating in concert with their SPIRITS!

Our Theory, which is founded upon CONSCIOUSNESS, begins with the parents before the birth of a child, and extends all the way to the frontiers of today's most advanced THEORETICAL PHYSICS and COSMOLOGY, can only serve as a **GUIDE** to help each child begin the lifelong process of developing their **PERSONAL AND UNIQUE COSMIC THEORY OF EVERYTHING,** and give them the 'tools' that they need to ultimately answer all of their questions. Therefore, for them, it will be as it is with us: **ALL QUESTIONS EITHER HAVE BEEN ANSWERED, OR ARE IN THE ETERNAL PROCESS OF BEING ANSWERED!**

We have **UNIFIED EVERYTHING**, including philosophy and religion, utilizing the Greatest Law of Spiritual Science which states: **ALL IS VIBRATION!** The enormous JOY, which we have received during the process of developing our COSMIC THEORY OF EVERYTHING, is beyond all evaluation! But what is more, much more, is the awesome fact that the JOY of our learning expands by a **QUANTUM LEAP** with each new and enchanting 'EUREKA' experience, renews itself from moment to moment, and is endlessly proceeding toward **THE PROJECTIVE BOUNDARY AT INFINITY!**

It is time for everybody to take the responsibility of learning our THEORY and how to implement it to **teach our precious children, in a wonderful new Holistic Manner which is accessible to them physically, mentally, and spiritually, by utilizing the PIANO, as a basic learning tool, and stimulating the imagination of Cosmic Structure with THE GEOMETRICAL TOYS OF DIONYSUS!**

Just think how wonderful it is going to be when teachers, parents and their children begin to learn holistically from each other, in this wonderful manner, while they are **interacting lovingly, profoundly, and compassionately.**

PLEASE, EVERYBODY, begin this wonderful process of holistically educating yourself, and ultimately our precious children, by first reading our website at: www.soulmatecosmology.com.

Presently, our website primarily contains only the **SPIRITUAL PHILOSOPHY** underlying our **COSMIC THEORY OF EVERYTHING**. The full mathematical and musical version will be ready to present as follows: first to a select audience of mathematicians, physical scientists, spiritual scientists and educators, as soon as we obtain the spiritual and physical support that is destined to help us bring this about. Finally, we will be able to share our new **OCTAVE THEORY OF EVERYTHING** and our resulting **HOLISTIC SYSTEM OF EDUCATION** with the world.

We, who are experiencing the awesome eternal bliss of being at ONE with the **NAMELESS AND BOUNDLESS COSMIC ESSENCE(GOD)**, have no need of worldly wealth beyond what is required to help us begin the process of

Holistically Educating the precious children of our world who are the most profound REPRESENTATIVES of GOD in the entire COSMOS! Christ tried to make this very clear in Matthew 18 : 1 - 6; but, because of a great lack in people's spiritual development, his profound teachings have never been deeply comprehended, let alone profoundly and holistically applied! Whoever says that he loves God, and does not do his utmost to deeply love, care for, and holistically educate all of the precious children of our world **IS A HYPOCRITICAL LIAR OF THE MOST TREACHEROUS AND MALEVOLENT KIND!**

This is the most infallible measure of the terrible materialistic state in which all of the religions of the world have fallen: Preachers, Priests, and all other so-called spiritual ministers, who are living in mansions, driving expensive cars, wearing high priced clothing, flying all around the world in personal airplanes, etc., by their actions seem to be completely insensitive to the horrible fact that millions of the world's precious children are being born to uneducated, poverty stricken, and often drug addicted mothers with no devoted husbands, no pre-natal health care, and with no ability to holistically educate their children during the first two very critical years! Christ said: **"Whatsoever you do to the least of these little ones, YOU DO TO ME!!"**

All of the religious institutions and groups around the world claim to be worshiping God! But, since they are all surrounded by suffering children, who are not loved and being holistically educated, this constitutes absolute proof that throughout the last 12,000 years of spiritual darkness, and **under the guise of Religion, THE DIRECT ABUSE OF GOD HAS BEEN ALMOST TOTAL!!**

We wish to remind you again, however, that there is nothing 'wrong' in this. It is only through experience in duality that the Spirit can really learn: only those who have experienced the pain of hate, can fully realize the joy that comes with love, only those who have starved can truly appreciate the value of good food and feel the pain of wasting it. There can be no saints without sinners and no good without evil. It is time for all of the religions of the world to wake up to the sublime fact that throughout the dark phase they have been abusing God by abusing mothers and children. Nobody has ever seen an 'evil baby' newly born in a cradle. It is this awful abuse of mothers and children that is the CAUSE behind the development of every so-called evil person that has ever lived and performed so-called evil acts on Earth! The time for learning through ignorance and Spiritual

Darkness is past; and now, the new age of Spiritual Light and Love begins! The real tragedy here is that after 12,000 years of experience in the darkness of ignorance and materialism, the people of earth have learned so little about themselves, as Microcosms, and the entire COSMOS as the Macrocosmic Representative of God.

December 21st has marked the time when all of the religions on earth have the opportunity to begin the process of bringing about a quantum leap in the expansion of their planes of consciousness and learning how to truly worship God by holistically educating, to the very highest levels, the beautiful mothers of our world so that they will be able to give birth to children from very high levels of spiritual awareness and help them release their divine potentials by holistically educating them.

We, and all of our deeply spiritual colleagues, are **CHILDREN OF THE LAW OF ONE (CLO)**. For us, the greatest virtue is: **THE LOVE OF PURE LEARNING** and anything other than this is but procrastination and dissipation in the eyes of the **NAMELESS AND BOUNDLESS COSMIC ESSENCE (BCE)** who patiently awaits our involutinary and evolutionary awakenings.

Our **OCTAVE THEORY OF EVERYTHING** is necessary, but not sufficient, for the development of the Holistic System of Education that our precious children now urgently require. **Our part has been in satisfying the requirement set forth by Dr. Eugene P. Wigner for the development of an OVERVIEW of the nature and structure of the entire COSMOS and a complete description of the purpose of Man, the Microcosm, in it!** Therefore, it is absolutely necessary that our contribution be added to those of our wonderful colleagues around the world; such as, Dr. Vladimir Pakhomov who is a Russian mathematician. For a very pleasant and informative adventure, please visit his website at www.pakhomov.com.

We are now searching for others who have lifted themselves up to the status of the CLO and who are now ready to help us fulfill our MISSION of helping THE PEOPLE OF EARTH transform their planes of consciousness from the Darkness of Ignorance and Materialism to the Glorious Light of Cosmic Oneness, Knowledge, and profound Spirituality.

If you believe yourself to be one of us, and you are dedicated to THE LOVE OF PURE LEARNING, filled with love and compassion for your fellow human beings, please contact us because we cannot do this alone and we dearly need the help of all of our wonderful brothers and sisters in the COSMOS!

Finally, everything comes down to THE FREEDOM OF CHOICE! If the people of Earth desire our help, they will prove this by giving us the financial and personal help we need to implement it. Before rejecting our offer we want them to consider the following very carefully:

1) Presently, the people of Earth are trying to solve enormous problems by treating ‘effects’ only with little or no attention being paid to ‘causes’; no problem has ever been solved in this manner.

2) **A problem can only be solved by means which are LIKE itself.** For example, all SOCIAL PROBLEMS must be solved by SOCIAL MEANS! Therefore, it is impossible to solve a SOCIAL PROBLEM with CAPITALISTIC MEANS.

3) The time has now come to begin the process of preparing our precious children to enter the wonderful new Butterfly Phase of Spiritual Light that is now dawning. During this phase, they will initiate the development of the greatest cosmic civilization of light that has ever existed on Earth since her fiery beginning. Without Holistic Education, it will be impossible to genetically transfer all of the knowledge, wisdom, and understanding, that has been obtained by the people of Earth over the past 12,000 years, to the dawning new Butterfly Phase of Spiritual Light.

4) On December 21,2012, during a private CEREMONY OF LIGHT, we activated one of the Earth’s important grid points with the spiritual essence of our OCTAVE THEORY OF EVERYTHING and OUR HOLISTIC SYSTEM OF EDUCATION which we developed from it. The nature and purpose of a Grid Activation Ceremony is thoroughly described in an article on our website with the title: **2012: Regenerative Sun Guidance**. At the same time in South America, the Mayan Shamans were activating other important Grid Points which assisted our own.

We must do everything possible to help our precious children qualify for entering

the glorious new Butterfly Phase of Light that is now dawning. Therefore, we are calling upon all members of the CLO, all those who aspire to becoming members of the CLO, and everybody who desires to help us in any manner, to please contact us at the email address: henrymonteith@att.net and to also visit our website at www.soulmatecosmology.com.
